Business, regardless of type or phase, is in some manner or form controlled and affected by government, it's agents and subdivisions.

In the interest of efficient business operation and as a service to our members, there is listed herein many of those who are directly charged with the responsibility of conducting the affairs of the various governmental bodies and agencies.

Lack of space prohibits including all officials, but, to the best of our knowledge, we have listed those which we believe come within the scope of our purpose.

The nature of this directory necessitates periodical revision and manifest interest will insure future issues.
